MEMORANDUM OF UNDERSTANDING (MoU)

Texas Instruments Teaching Lab Setup at Sengunthar Engineering College (Autonomous), Tiruchengode

This memorandum of understanding is signed on the 7th day of May 2021, between the following institutions:

- a. STEPS Knowledge Services Pvt Ltd which is the University Program Partner of Texas Instruments, India, herein after referred to as STEPS
- b. Sengunthar Engineering College (Autonomous), Tiruchengode, herein after referred to as College

This Memorandum of Understanding is proposed in order to establish a teaching lab facility in the area of Texas Instruments (referred henceforth as TI) Embedded systems and Analog Systems at the College with Technical Support from STEPS. Through this Memorandum for Agreement, the two parties agree to the following:

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of Ms. N.Kavitha, Technical Director, STEPS and the College. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned. The MoU will be reviewed every 3 years.
- (b) **Lab Setup:** The College will set up a lab which will be entitled "**Texas Instruments Embedded System and IoT Lab**" at its premises. STEPS will liaison with Texas Instruments India (TI) and agree to supply Development Kits for ECE Department on mutually agreed basis. STEPS agree to set up the lab and provide the necessary initial training and learning materials to begin the instruction on a mutually agreed basis.
- (c) **Curriculum:** The College will introduce a Value-Added Course which is completely Hands-On using Texas Instruments Technology in their undergraduate engineering curriculum conducted by STEPS or by the Faculty at the college premises. This Course has to be done atleast once in a year with a preferred participation of 40 trainees from ECE departments. The college will also explore other ways to introduce TI Platforms in their curriculum as applicable enabling the engineering students to get exposed to industry preferred leading technologies.

- (d) **Faculty Development Program:** If the College wishes to organize Faculty Development Program in its premises for its faculty members and faculty members of other Indian engineering institutions to teach TI Texas Instruments Embedded System and IoT Lab Platform. The College will provide the infrastructure facility for conducting the Faculty Development Program (FDP). STEPS will extend training services which will facilitate the college in conducting this program on mutually agreed basis.
- (e) **Workshops/Events:** If the College wishes to organize a national event in the area of TI Texas Instruments Embedded System and IoT Lab, STEPS will provide speakers/trainers/conduct workshops – 1 day / 2 day / Multi-Day on mutually agreed basis.
- (f) **Training/Internship Programs:** STEPS will support the college in organizing training programs/internships on topics related to TI Texas Instruments Embedded System and IoT Lab platform on mutually agreed basis. STEPS will provide certificates for the participants of such programs.
