

4.1.2 The institution has adequate facilities for sports, games (indoor, outdoor, gymnasium, yoga centre etc.,) and cultural activities.

Sports and extracurricular activities are essential parts of the Institute since they are integrated into the Core Courses, which are required, and the continual evaluation system. This is done to assess students as well as to encourage engagement.

Indoor and outdoor games:

Indoor and outdoor games are available, and there are also appropriate facilities for sports and cultural events. Sports and game fields cover a total of 12 acres. Football, Basketball, Cricket, Kabaddi, Ball Badminton, Shuttle Badminton, Table Tennis, Boxing, Hockey, Volleyball, Take-Won-Do, Judo, and Athletics all have strong teams at our college. This year, three of our students were chosen for the **women's university cricket** squad.

Our campus is equipped with facilities for both indoor and outdoor sports and games, including badminton, volleyball, basketball, carom, table tennis, and chess. Sports tournaments and intra- and inter-faculty events are often held for students each year. The National Youth Parliament competition, Zonal and Inter-Zonal National Youth Festival competitions sponsored by the Association of Indian Universities, as well as other extracurricular cultural and sporting events, all require particular training for students.

Seminar Hall:

For conferences and seminars, the College has a contemporary, well-equipped, acoustic seminar hall.

Gymnasium:

Male and Female gymnasiums at the college are both well-equipped with the most recent technology.

Yoga centre:

At the **Dayalbagh Yoga Centre**, some of the professors provide classes. Female pupils are given access to specific self-defense classes.

The Institute observes National Independence Day and Republic Day by raising the national flag, followed by a guard of honour for the Chief Guest performed by NCC students, a spectacular march past of students from all faculties to the music of the students' band, and the planning of sporting events. A panel of former soldiers from the army decides which marching contingent is the best.

Cultural events:

On Convocation Day and other conferences around the world that the Institute sponsors, students present cultural activities. The Boys and Girls Hostels both host cultural events. Every department has a well-equipped assembly hall for hosting annual festivities and cultural activities.

SENGUNTHAR ENGINEERING COLLEGE (AUTONOMOUS)

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
