Swift Student Challenge

We continue our long-standing tradition of supporting students who love to create with this year's exciting Swift Student Challenge. Showcase your creativity by creating an innovative Swift playground on the topic of your choice. Winners will receive exclusive WVDC21 swag, a guaranteed pin set, and earn a year of membership in the Swift Developer Program. This challenge is open to students around the world.

## Tutor Ward Report

(2020-2021)

The Tutor –Ward system assures each and every student of the college gets personal attention from their tutors. The students are divided into small groups and put under the personal supervision of a tutor. Tutorial sessions supplement the lecture class with additional information, knowledge, and guidance. The students are encouraged to relate the information they have got from the syllabus with their actual life situation. They learn how to forage ideas independently and to produce a coherent exposition of them. The tutor is a personal guide and counselor to his/her tutee and keeps a record of the all-round information of the tutee.

At the beginning of every academic year, the Heads of the Department divide the students of every class into small groups and assign them to the respective tutors. Every week one hour, outside the regular class hours, is set apart for the tutorial session. The tutees are asked to fill in and submit a tutorial card that contains their personal profile, educational background, interests, hobbies, and also their carrier goals in life. In the initial weeks of an academic programme students are given a chance to express themselves individually in the tutorial sessions and the tutors make a preliminary assessment. The tutor in consultation with the tutees selects a coordinator among them to organize each tutorial session.

The tutor in charge of a group of students plays the role of a mentor. As a mentor, the tutor keeps a one-to-one relationship with the tutee based on encouragement, constructive comments, openness, mutual trust, respect, and a willingness to learn and share. Tutors direct those who require professional assistance to qualified counselors and also help the students set long-term career goals and short-term learning objectives.

Very successful interaction in the tutorial system will instill confidence in the students and help the development of their personality. Many problems faced by the students can be sorted out with the help of the tutor. A successful tutor will both be a guide and mentor to their wards. Students will have no hesitation in discussing the problems faced by them with their tutors and thereby a very cordial and friendly relationship between the teachers and students will be established on the campus.

Every tutor keeps a record of the all-round information of the tutees under his/her supervision, a file containing the reports of each session, and the attendance of the tutees in each session. The Heads of the Department make a periodical assessment of the conduct of the tutorials in the Department and submit a report to the Tutorial Coordinator. At the end of the academic year, the tutorial coordinator submits the report to the Principal.

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Submitted to Principal sir for kind approval

Date: 01.02.2021

Ref: SEC/EEE/2020 - 2021

Sir,

**Sub.:** Conduct one day seminar on Job opportunities in Electrical Engineering field - Reg.,

We would like to bring to your kind attention that our Department of EEE planned to conduct one day seminar on "Job opportunities in Electrical Engineering Field" to II, III & IV year EEE students on 05 Feb 2021. Hence, we request you to give the permission to conduct the seminar as per following schedule.

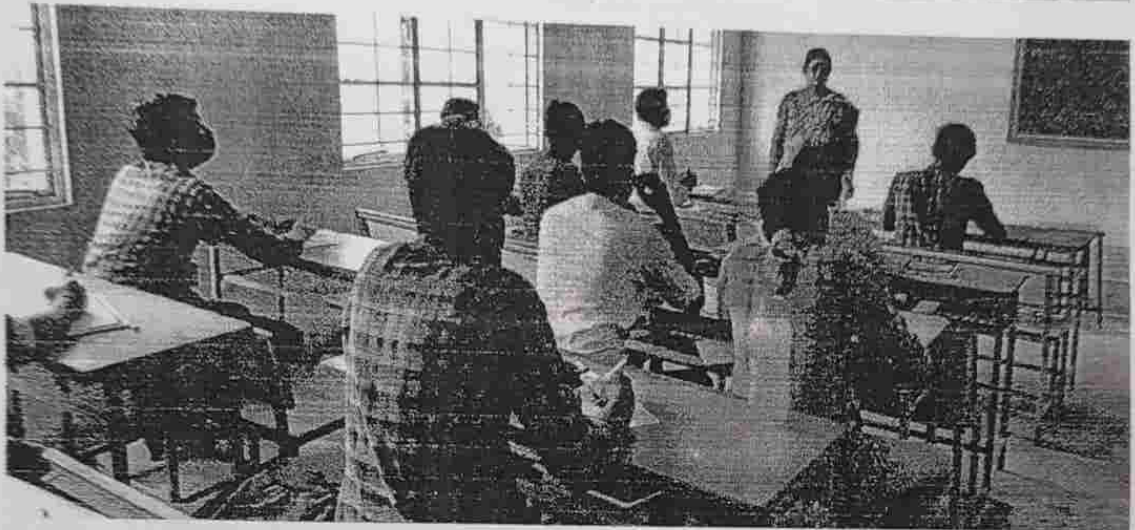

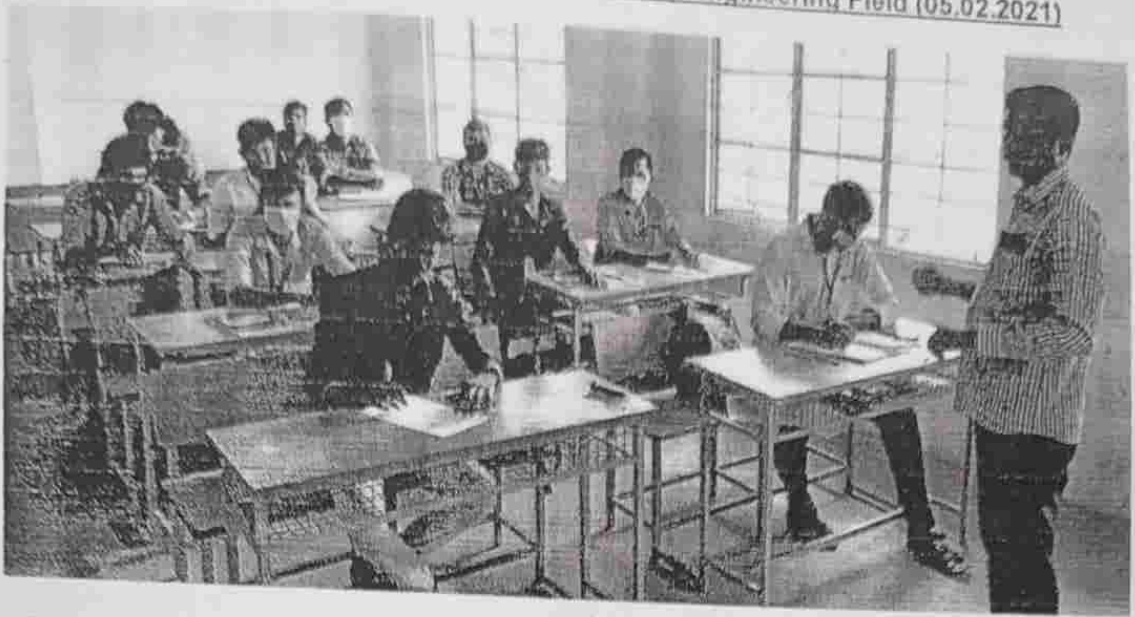

SL NO	TIME	TITLE	STAFF NAME
1	10.00 - 10.25	How to get job in TNEB	Dr K Umadevi, HOD/EEE
2	10.30 - 10.55	How to get job in BSNL	D Sathiyaraj, AP/EEE
3	11.00 - 11.25	How to get job in RRB	A Tamilselvan, AP/EEE
4	11.30 - 12.00	How to get job in Public Sector Company	G Senthirajan, ASP/EEE
<b>BREAK</b>			
5	02.00 - 02.25	How to get job in TRB	T Gohila, ASP/EEE
6	02.30 - 02.55	How to get job in Private Sectors	K Deepa, AP/EEE
7	03.00 - 04.00	How to prepare for Competitive Examinations	V Nanthakumar, AP/EEE
