Policy Statements for Disabled-Friendly, Barrier Free Environment

SEC's policy recognizes that persons with disabilities are valuable human resources for the institution and seeks to create an environment that provides equal opportunities, protection of their rights and full participation in the academic environment.

SEC will ensure that provide all technical support in the endeavour of every Person with Disability in the campus achieve full emancipation and self esteem by equalization of opportunities through creation of enabling environment, so that the students getting admitted in our institution with disability is benefitted from their untapped talent and contribution.

SEC will ensure the promotion of innovative and adaptive technology in order to create and facilitate access to social and economic rehabilitation for students with disabilities.

All the stakeholders of the college should consider the opportunity to serve the differently abled students as a privilege.

Scribes should be allowed to the differently abled students on request.

At the time of admission, a Helpdesk should be set apart for the differently abled students seeking admission.

It is the duty of all the staff and students to offer help to differently abled students without waiting to be requested to.

A barrier free environment should be provided so that the differently abled students can move about without obstacles anywhere in the campus.
