EEE Department Conducts DAC Meeting to Enhance Curriculum and Foster Industry Collaboration

The Department of Electrical and Electronics Engineering (EEE) convened its fourth Department Advisory Committee (DAC) meeting, chaired by Dr. K. Umadevi, Dean (P&D) and Head of the Department. Key discussions included updates on the UG curriculum (R2023 and R2019), professional electives, and the introduction of Minor/Honours degrees. The committee also reviewed student assessments, industry-supported laboratories, and placement training. Further deliberations covered research funding, faculty contributions, and activities for quality improvements. The meeting highlighted the department's commitment to academic excellence, innovation, and industry
