'SaHaa' 25—a Two day national Level technical Symposium was organized by the Department of Science and Humanities on 07.05.2025 to provide a forum exclusively for the first-year students.

The event began with a welcoming address by Dr. R. Satish Kumar, Principal of Sengunthar Engineering College, who warmly greeted the attendees and set an encouraging tone for the symposium.

Prof. A. Baladhandapani, Secretary and Correspondent of Sengunthar Institutions, followed with the Presidential Address, emphasizing the importance of technical education and the role such events play in promoting innovation and intellectual exchange among students.

The ceremony also saw the presence of Er. Aravind Thirunavukarasu, Executive Director of Sengunthar Institutions.

The highlight of the event was the Chief Guest Dr. L. Durai Murugan, Strategic Consultant at Tata Consultancy Services. He is an esteemed alumnus of Sengunthar Engineering College, spoke about the rapid changes in the tech industry and how students can contribute to driving future innovations.

A total of 150 technical papers were submitted by students from various engineering colleges across Tamil Nadu. After a thorough review process, 50 high-quality papers were shortlisted for presentation during the symposium.

The symposium provides a valuable platform for students to demonstrate their technical skills and engage in meaningful discussions, further enhancing the academic culture at Sengunthar Engineering College.

Multiple Events at 'SaHaa' 25' Technical Symposium

As part of the Eighteenth National Level Students' Technical Symposium, 'SaHaa' 25,' the S & H department conducted a series of engaging events, showcasing the talent and innovation of its students.

The symposium featured **Technical Paper Presentations**, where students presented their research and innovations on various engineering topics. Participants also displayed their creativity and knowledge in the **Poster Presentation** segment, which highlighted cutting-edge concepts and advancements in technology.

In addition to these, the symposium hosted a **Project Context** session, allowing students to present their practical projects and demonstrate their problem-solving skills. The event also included **Quiz Programmes**, offering an interactive and competitive platform for students to test their knowledge in various fields of science and technology.

Hospitality Extended to Participants and Attendees at 'SaHaa' 25'

Sumptuous vegetarian and non-vegetarian meals, accompanied by ice cream and refreshments, were served to all first-year students, participating students, and faculty members of the college.

The thoughtful arrangements reflected the institution's commitment to creating a welcoming and comfortable environment for both guests and internal participants.

Winners Honoured with Cash Prizes at 'SaHaa' 25' Symposium

Winners of various events were awarded cash prizes in recognition of their outstanding performance.

The first prize winners in each category received a cash award of ₹1,500, while the second prize winners were presented with ₹750. The prizes aimed to encourage student innovation and active participation in technical and academic competitions.
