Ganesh Chaturthi, the festival celebrating the birth of Lord Ganesha, was observed in our college with great devotion and enthusiasm. The entire Sengunthar Institutions, including students and staff, came together to participate in various rituals and festivities during this auspicious occasion. The celebration began with a ceremonial puja that was initiated by our respected Correspondent Sir. This marked the commencement of a spiritually significant day. The puja was conducted with traditional rituals, including the lighting of the lamp, Vedic chants, and offerings to Lord Ganesha's idol. Correspondent Sir's presence added a sense of solemnity and reverence to the event. The grand prasadam, including laddu, sundal, and puliyodharai, was distributed to everyone, making the celebration a memorable and spiritually enriching event.

May the blessings of Lord Ganesha continue to guide us, and may our Sengunthar Institutions always remain close-knit and harmonious.
