## Students Take Pledge to Promote Cleanliness and Sustainability

As part of the 'Swachhata Shapath' initiative, our students actively participated in a pledge-taking ceremony focused on cleanliness and hygiene. This initiative reinforces their dedication to maintaining a clean environment, both within the campus and beyond. The pledge serves as a reminder of the collective responsibility towards creating a healthier and sustainable society.

## Personality Development Club Fosters Self-Mastery and Personal Growth

The Personality Development Club of the Department of AIDS focuses on cultivating self-mastery among students. This program emphasizes key areas such as setting clear goals, maintaining a positive attitude, managing emotions, strengthening willpower, and improving focus. By addressing these aspects, the club aims to empower students with the skills necessary for personal growth and success.
