Honourable Chairman of Sengunthar Institutions Thiru. Jansons T.S.Natarajan sir, Revered Secretary and Correspondent of Sengunthar Institutions Thiru. A. Baladhandapani sir, Respected Treasurer of Sengunthar Institutions Thiru. M. K. Dhanasekaran sir, Chief Guest of today's Annual Day Celebrations Mr. Pawan Kumar Rao, Director, Foray Software Private Limited, Bengaluru, Guest of Honour Mrs. Bhaskari Janardhan (PhD), Research Scientist/ Keen AI/ML avidity/ Lean Six Sigma Black Belt/ Product Strategy/ Marketing Strategy/ Behavioural Science enthusiast Director for Corporate Relations and Training Mr. Aravind Thirunavukkarasu, and other beloved members of Sengunthar Charitable trust, Eminent invitees, Media persons, Deans, Professors, HoDs, Dear Colleagues, Parents and My dear students, Good Morning to you all.

On this glorious day of celebration, we gathered here for Celebrating 23rd Annual Day of our institution. I have a great pleasure in presenting a brief Annual Report about the noteworthy activities of our College for the Academic year 2023-2024.

Sengunthar Engineering College was established by the Sengunthar Charitable trust in the year 2001 to offer a peerless education. The history of our college is a history of steady development and achievements. This Co-educational, Self-financing Engineering College, started with the approval of the Government of Tamilnadu and it is approved by the All India Council for Technical Education (AICTE), New Delhi and affiliated to Anna University, Chennai. It has been recognized by UGC, New Delhi under Section 2(f) and 12(B) of the UGC Act, 1956 and also Accredited with "A"

Grade by NAAC and the NAAC Accreditation has been renowned up to 31.12.2024 with the same grade point 3.06 of 4 point scale. The college is certified as ISO 9001:2015 Institution by BSCIC. This Autonomous Institution has been approved by University Grants Commission (UGC), All India Council for Technical Education (AICTE), New Delhi and Anna University, Chennai for Ten years from the academic year 2019-2020 to 2028-29. The Institution has completed 20 years (2 decades) of yeomen service to the welfare of the rural society.

Since its inception, this institution has been working with the sole aim of providing quality education to the underprivileged students, who have zeal to achieve something big in their lives. Transformation and innovation are the unifying themes in all we do.

I am happy to state that Sengunthar College of Engineering (2629) is merged with Sengunthar Engineering College (2617) during the academic year 2021-2022 for continuing its peerless service to the rural background students.

New Courses of Study

To meet the challenges of meeting the societal demands and who would like to opt for 100 % employment assuring degree programmes, the College started a new degree programme in **B.Tech. Pharmaceutical Technology** from the academic year 2023-2024 with an intake of 30.

Courses Offered in SEC are

11 UG PROGRAMMES	
S.No.	Name of the Programme
1.	B.E. Civil Engineering
2.	B.E. Computer Science and Engineering
3.	B.E. Computer Science and Engineering (Cyber Security)

Clubs and Associations

To kindle the hidden skills in co-scholastic areas, the college encourages students to take part in various structured and unstructured activities: one such opportunity is the club activities regularly conducted in the College premises. In our College 51 various clubs and associations are functioning effectively and nearly 150 programmes have been conducted through Online/offline mode during that academic year 2023-2024.

In addition to that Centre for Excellence in ECE and Medical Electronics, TEXAS Innovation Lab, USA in ECE Department, IIBM Remote Centre, Nodal National Resource Centre (National Cyber Security Programme-NCSP in Zone -XIV) are effectively functioning for enabling the students to face the formidable challenges of the future. The student branch of IEEE (Institute of Electrical and Electronics Engineers) is very active.

Value added courses

Value Added Courses aim to make our students power-packed. Value added courses give the outlook of emerging trends in the society which supports the students for their career. Our autonomous curriculum itself designed with value added courses. Besides, Leadership Enhancement course has been offered for Our Second Year students to perform best in their placements.

Institution of Engineers (India) (IEI) Activities

We are pleased to announce that our institution has recently registered approximately 295 new students under the Institution of Engineers (India) (IEI) across various departments. This influx of fresh talent is a testament to our institution's growing reputation and commitment to providing quality education.

Our institution has received approval from the Institution of Engineers (India) Headquarters to establish IEI Student Chapters in five departments, namely Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE), Information Technology (IT), and Medical Electronics. This milestone reflects our dedication to promoting engineering excellence and fostering a culture of professional development among our students.

Participation in IEI Energy Conservation Week Celebrations:

Many of our students actively participated in the IEI Energy Conservation Week celebrations, particularly in the "Slogan Contest." Their involvement demonstrates our commitment to promoting sustainability and environmental awareness among the student community.

Engineers Day Celebrations Participation:

Numerous students from our institution enthusiastically participated in the Engineers Day celebrations across various categories. This engagement highlights our students' eagerness to showcase their skills and contribute to engineering advancements.

Recognition from IEI Salem Local Center:

We are proud to announce that two of our students, S.R Bharni (IV Year, ECE) and P. Kalai Selvi (IV Year, EEE), have been honored with the "Best Engineering College Student Award" by the IEI Salem Local Center. This recognition underscores the exceptional academic and extracurricular achievements of our students.

Scholarship Recipients:

Furthermore, two of our students, P. Kalai Selvi (III Year, EEE) and R. Gowtham (III Year, EEE), have been awarded scholarships amounting to Rs. 14,000 each. This financial assistance acknowledges their academic excellence and provides support for their continued educational pursuits.

Pradhan Mantri Kaushal Vikas Yojana 4.0 (PMKVY 4.0)

As per the directives of the Ministry of Skill Development & Entrepreneurship (MSDE), our college has been allocated 240 targets for implementing training under PMKVY 4.0. These targets encompass a range of vocational skill areas identified as critical for addressing the demands of the contemporary job market and aligning with national development priorities.

In this academic year, Rs.2,72,651.00 funds received under PMKVY on 20.09.2023

Rs.5,58,822.90 funds received under PMKVY on 30.09.2023.

Sengunthar Skill Development Centre (EAGLE)

Sengunthar Skill Development Centre has been actively engaged in fostering practical skills among students in various engineering disciplines. The centre initiated on 19.02.2024 for manufacturing operations under the brand name "Eagle," producing a range of innovative products designed and manufactured by its students.

Products Manufactured:

Department of Mechanical Engineering:

Sengunthar Smokeless Stove (SSS - Brand): A novel stove design aimed at reducing smoke emissions and improving efficiency.

Automatic Dust Bin Collector: An innovative solution for automated waste collection.

Knife: A versatile tool catering to various cutting needs.

Department of Electrical and Electronics Engineering:

9 W Electric Bulb: Energy-efficient lighting solution.

5 A Junction Box: Electrical component facilitating safe connections.

The participation of Sengunthar Skill Development Centre in the IMPA Trade Fair from March 9, 2024, to March 11, 2024 at Tex Valley, Erode proved to be a fruitful endeavor, showcasing the innovative products developed by students. The substantial interest and sales recorded underscore the effectiveness of the centre's efforts in imparting practical skills and fostering entrepreneurship among students. With continued dedication and innovation, the centre aims to further contribute to the advancement of engineering solutions and the promotion of sustainable practices in the industry.

BIS approved Standards Club

Bureau of Indian Standards (BIS) is the National Standard Body of India established under the BIS Act 2016 for the harmonious development of the activities of standardization, marking and quality certification of goods and for matters connected therewith.

SEC has collaborated with Bureau of Indian Standards (BIS) to conduct activities aimed at enhancing the quality standards for the students. The Bureau of Indian Standards (BIS) approved the Standards Club in all the Department of our college. The Purpose of this club is to provide students learning opportunities in the field of quality & Standardization. Initially, 50 students with 10 mentors were registered during this academic year 2023-2024.
