

EEE Students Develop Electric Two-Wheeler

Final-year B.E. students from the Department of Electrical and Electronics Engineering (EEE) have successfully developed an innovative project titled *“Two-Wheeler – Electric Scooty.”* The project was carried out under the guidance of Dr. K. Umadevi, Dean (P&D) and Professor & Head of the EEE Department, with technical support from Er. R. Ramanan, Lab Instructor, EEE. The electric scooty is powered by a 60 V, 30 Ah Li-ion battery and is equipped with a 60 V, 1000 W BLDC hub motor. It can achieve a maximum speed of 40 km/h and offers a range of 70 km per charge, with a charging time of approximately four hours. This student-driven innovation highlights the department’s focus on sustainable mobility solutions and hands-on learning in emerging technologies such as Electric Vehicles and Sensor Technology.

NSS Observes 150th Anniversary of 'Vande Mataram'

On behalf of the National Service Scheme (NSS), the institution commemorated the 150th anniversary of the National Song "Vande Mataram," composed by Bankim Chandra Chatterjee in 1875. Students actively participated in the celebration by watching the telecast of the Hon'ble Prime Minister's address and joining in the rendition of "Vande Mataram" through a karaoke performance.

The event fostered a spirit of patriotism and collective pride among the participants, honoring one of the most enduring symbols of India's national identity.

SEC Observes Cancer Awareness Day with Pledge

Students and faculty members of Sengunthar Engineering College observed Cancer Awareness Day by taking a pledge to stand united in the fight against cancer. The participants committed to spreading awareness on the importance of early detection, healthy living, and regular screening. They also pledged to support individuals affected by cancer with compassion and respect, while working to eliminate stigma through education and empathy. The event underscored the institution's commitment to promoting health consciousness and social responsibility among students.
