

Dr. R. Satish Kumar, Principal Participates in IEI Seminar on Effluent Treatment Technologies

Dr. R. Satish Kumar, Principal of Sengunthar Engineering College (Autonomous) and Honorary Secretary and Chairman of the Institution of Engineers (India), Salem Local Centre (IEI-SLC), participated in a one-day seminar on “Cost Effective and Emerging Effluent Treatment Technologies” held on April 10, 2026. The seminar was organised by the Institution of Engineers (India), Salem Local Centre, under its centenary celebrations, in association with the Department of Civil Engineering, Excel Engineering College (Autonomous), Komarapalayam. The programme was conducted at Dr. A.P.J. Abdul Kalam Hall and focused on innovative and sustainable approaches to effluent treatment. It brought together academicians, industry experts, and students to deliberate on emerging technologies and cost-effective solutions in environmental engineering. The event highlighted the importance of sustainable practices and technological advancements in addressing environmental challenges.

Guest Lecture on Medical Device Regulations Held at Sengunthar Engineering

The Department of Medical Electronics at Sengunthar Engineering College organized a guest lecture on “Regulatory Standards and Career Opportunities in Medical Devices” under the “I AM Club” initiative.

The session was delivered by Mrs. P. Sudha, RA & QA Incharge at Pharm Products Private Ltd., Thanjavur. She shared valuable insights into regulatory frameworks, quality assurance practices, and emerging career paths in the medical device industry.

Cyber Security Students Attend Industrial Visit to Iroid Technologies

A total of 75 students from the second and third years of the Department of Computer Science and Engineering (Cyber Security) undertook an industrial visit to Iroid Technologies, Kochi, Kerala, on April 10, 2026. During the visit, the students participated in a seminar that covered key topics such as Python programming, web development, search engine optimisation (SEO), and career opportunities in artificial intelligence. The programme provided students with valuable industry exposure and insights into current technological trends, helping them understand practical applications and emerging career pathways in the field of computing and cybersecurity.

நுவலிதமிழ்மன்றம் - தினம்ஒருதிருக்குறள்

குறள் 750:

எனைமாட்சித் தாகியக் கண்ணும் வினைமாட்சி
இல்லார்கண் இல்லது அரண்.

விளக்கம்:

கோட்டைக்குத் தேவையான எல்லாவித சிறப்புகளும்
இருந்தாலும்கூட உள்ளிருந்து செயல்படுவோர்
திறமையற்றவர்களாக இருந்தால் எந்தப் பயனும்
கிடையாது.

இலக்கணக்குறிப்பறிதல்

இரட்டுற மொழிதல்அணி (சிலேடை) :

ஒரு சொல் இருபொருள் பட அமைந்து வருதல் இரட்டுற மொழிதல் எனப்படும்.
இதனை "சிலேடை" எனவும் வழங்குவர். இது செம்மொழிச் சிலேடை, பிரிமொழிச்
சிலேடை என இருவகைப்படும்.
