சுவற்றிலா? சுவரிலா? - எது சரி?

சுவரில் என்பதே சரி. சுவல் என்பதன் எழுத்துப்போலி சுவர் என்பது. சுவல் என்பதற்குத் தோள் என்று பொருள். தோள் போலத் தாங்கி நிற்பது என்னும் காரணப்பெயர் அடிப்படையில் சுவல் - சுவர் என வழங்குகிறது.

மொழிக்கு இறுதியில் வரும் எழுத்துகளில் 'ற்' என்பது இல்லை. ஆகவே, 'சுவற்' என்பது ஒரு சொல்லில்லை. இதிலிருந்து 'சுவற்றில்' என்பது எவ்வாறு உருவாகும்? சிந்தியுங்கள். பிழையின்றி எழுத முயல்வோம்.

Nursing students conduct childhood cancer awareness programme

The B.Sc. (Nursing) fourth-year students of Sengunthar College of Nursing organized a Childhood Cancer Awareness Programme to educate parents and children on the importance of early detection and care.

As part of the initiative, the students prepared informative posters on various types of cancer and presented them in the Paediatric Ward, explaining the causes, signs and symptoms, diagnostic investigations, and management options.

The programme aimed to raise awareness about childhood cancer, promoting timely diagnosis and proper treatment. The interactive session helped enhance the community's understanding of cancer and emphasized the role of education in improving child health outcomes.

Nursing students mark World Mental Health Day with rally and competition

October 10, 2025: Fourth-year students of Sengunthar College of Nursing actively participated in a rally to observe World Mental Health Day. The rally commenced at the Government Medical Hospital, Namakkal, and concluded at the Government Medical College, emphasizing the importance of mental health awareness.

To mark the occasion, the Department of Mental Health at the Government Medical Hospital organized a drawing competition on the theme “*Access to Services – Mental Health in Catastrophes and Emergencies.*” Students from Sengunthar College of Nursing took part enthusiastically, displaying their artistic skills and understanding of mental health issues.

The event concluded with the distribution of certificates and mementos to the winners. Sengunthar students secured the first and third prizes, bringing pride to their institution. The program not only enhanced their knowledge of mental health but also highlighted the need for accessible mental health services during crises, fostering creativity and compassion among participants.
