- The council approved the inclusion of GATE-oriented topics directly into the core program syllabi. To institutionalize this preparation, it was decided that GATE-pattern questions related to the prescribed topics shall be included in the question banks, thereby encouraging and benchmarking student readiness.
- Faculty members handling Mathematics courses were strongly advised to teach effectively with the real-time, industry applications of mathematical concepts relevant to the engineering discipline concerned during their regular lecture hours.

The Chairman concluded the meeting by summarizing the key decisions taken by the Academic Council. Dr.K.L.Palanisamy, Autonomous Coordinator, extended heartfelt thanks to all members for their engaged participation and insightful suggestions on the various agenda items. The meeting was formally closed at 1:45 p.m.
