A campus recruitment drive was conducted by 34 GigHz, Bangalore, for the role of Software Developer, offering a salary package ranging from ₹3.50 lakh to ₹5.00 lakh per annum. A total of 35 students from the Departments of Computer Science and Engineering, Computer Science and Engineering (Cyber Security), Artificial Intelligence and Data Science, Information Technology, Electronics and Communication Engineering, Electrical and Electronics Engineering, and Mechanical Engineering participated in the drive. The recruitment initiative provided students with an opportunity to explore career prospects in the software development domain and gain exposure to industry recruitment processes.

“EEE Students Present Solar-Powered IoT Scoreboard at International SDG Conference”

A team of second-year students from the Department of Electrical and Electronics Engineering (EEE) showcased their innovative project titled “IoT-Enabled Portable Scoreboard Powered by Solar Energy” at the International Conference on Innovation towards Sustainable Development Goals (SDGs), held on April 14, 2026. The participants — M. Nivetha, V. Madhubala, R. Umamaheshwari, and K. Manimegalai — presented their work during Session 02 of the conference. The event was organised by Project Contest Innovations LLP in collaboration with its academic partner, Pravara Rural Engineering College, and supported by the PREC Research Innovation Start-ups and Medium Enterprises (PRISM) Forum, Loni, Maharashtra. The project, which integrates Internet of Things (IoT) technology with renewable solar power, aims to provide an energy-efficient and portable solution for score display systems, aligning with sustainable development goals.
