

## Student Awareness Program on Voter Education Conducted at Our College

A student awareness program was successfully conducted today (22.08.2025) at the Training and Placement Hall from 2:00 PM to 3:00 PM. This event was jointly organized by the Election Commission of India and the Namakkal District Collector Office (Election Department), aiming to promote electoral awareness among college students.

As part of the program, painting and essay competitions were held. Students from first year to final year who are 18 years or above actively participated in the competitions. The initiative emphasized the importance of responsible voting and civic participation.

Cash prizes will be awarded to the top three winners at the state level. The event witnessed enthusiastic participation, and it served as a meaningful step in encouraging democratic

## Industry Talk on Sensors and Industrial Instrumentation

The Department of Electrical and Electronics Engineering at Sengunthar Engineering College organized an industry talk on “*Sensors and Industrial Instrumentation.*”

Mr. R. Bharath, Assistant Manager at Tritech Engineers, Chennai-69, served as the resource person and shared valuable insights on the latest trends and applications in the field. The session benefitted around 100 students, enhancing their practical understanding of industrial technologies.

## Senior Students of Sengunthar Engineering College Take Anti-Ragging Pledge

In a proactive step to ensure a safe and harmonious campus environment, the senior students of Sengunthar Engineering College today took an Anti-Ragging Pledge during a special session organized by the college administration.

The event aimed to create awareness about the consequences of ragging and reinforce the institution's commitment to providing a ragging-free campus. All senior students solemnly pledged that they would not engage in any form of ragging and would respect the dignity and individuality of their juniors.

The pledge ceremony was presided over by Dr. R. Satishkumar, Principal, who emphasized the importance of maintaining a friendly and inclusive atmosphere. He stated, "Ragging is not only a violation of rules but a serious offense under law. Our students should become ambassadors of harmony and discipline."

Dr. K. L. Palanisamy, Dean, highlighted the legal and ethical implications of ragging, encouraging students to report any untoward incident immediately to the authorities. Faculty members and department heads were also present to witness the pledge.

The program concluded with a strong message of unity and responsibility, ensuring that Sengunthar Engineering College continues to uphold its tradition of safety, respect, and academic excellence.

## First Year Students Induction Program Sessions Conducted

As part of the First Year Students Induction Program, informative and motivational sessions were conducted by Dr. R. Satishkumar, Principal, and Dr. K. L. Palanisamy, Head of the Department of Science and Humanities (S&H).

Dr. R. Satishkumar addressed the students on the importance of discipline, academic excellence, and holistic development for a successful engineering career. He emphasized the role of innovation, ethical values, and continuous learning in shaping their future.

Dr. K. L. Palanisamy, HoD/S&H, highlighted the significance of foundational sciences and skill development in the engineering curriculum. He motivated students to actively participate in various academic, co-curricular, and extracurricular activities for overall growth.

The sessions were highly interactive and inspiring, setting a positive tone for the students' journey at Sengunthar Engineering College.

## நுவலிதமிழ்மன்றம் - தினம்ஒருதிருக்குறள்

குறள் 605

நெடுநீர் மறவி மடிதுயில் நான்கும்  
கெடுநீரார் காமக் கலன்.

விளக்கம்

காலம் தாழ்த்துதல், மறதி, சோம்பல், அளவுக்கு மீறிய தூக்கம் ஆகிய நான்கும், கெடுகின்ற ஒருவர் விரும்பியேறும் தோணிகளாம்!

## இலக்கணக் குறிப்பறிதல்

பிறவினை

எழுவாய் ஒரு வினையை மற்றொருவரால் செய்ய வைத்தால், அது பிறவினை ஆகும். இதில் செயலின் பயன் செய்பவரைத் தவிர, பிறருக்குச் சேரும்.

உதாரணம்:

செல்வி கடலைக் காண்பித்தாள்.

செல்வி கடலைக் காண வைத்தாள்.

இத்தொடர்களில் செல்வி எழுவாய், பிறரைக் காணச் செய்ததால் இவை பிறவினைத் தொடர்களாகும்.
