

Campus Drive Brings Opportunities for Students

The Placement and Training Cell of the institution organised a campus recruitment drive for *Renault Nissan Pvt. Ltd., Chennai* on Tuesday, September 23, 2025. A total of 25 students from Mechanical Engineering, Robotics and Automation, and Electrical & Electronics Engineering branches took part in the recruitment process. Out of them, 11 students were shortlisted. The successful conduct of the drive was made possible with the support of the Management, Principal, Deans, Heads of departments, and faculty members.

The Departments of Mechanical Engineering and Civil Engineering jointly organised a Drug Awareness Rally from Tiruchengode to Valaraigate on September 23, 2025. The initiative aimed to sensitize the public, particularly the youth, about the harmful effects of drug abuse and to promote a healthy, drug-free lifestyle.

The Departments of Robotics and Automation and Management Studies jointly organised a pre-event programme, *Sparism – Open Your Heart, Extend Your Hand*, featuring the Rice Bucket Challenge. The initiative encouraged students to contribute rice and other essentials to support underprivileged communities, highlighting the importance of social responsibility and compassion.

The Department of Mechanical Engineering organised a guest lecture on *“Impact and Crash Worthiness of Composite Structures in Mechanical Systems”* on September 23, 2025. Mr. N. S. Nandhakumar, Assistant Professor of Mechanical Engineering, Government College of Engineering (IRTT), Erode, served as the resource person and shared insights on the applications and safety aspects of composite materials in mechanical systems.

The Department of Medical Electronics organised a guest lecture on *“Development of Physiological Vital Signs Monitoring Devices”* for undergraduate students. Dr. R. Periyasamy, Assistant Professor, Department of Instrumentation and Control Engineering, National Institute of Technology (NIT), Tiruchirappalli, served as the resource person and discussed recent advancements in medical instrumentation and healthcare technologies.

Road Safety Drive Marks

TechSym 2025

A Road Safety Awareness programme was organised as part of the National Level Student Technical Symposium “TechSym SAJYU-2025” on September 23, 2025. The initiative aimed to sensitise students to responsible road usage and highlight the importance of adhering to traffic regulations.

A Faculty Development Program on “Innovative Methodologies” was organized to enhance teaching and learning practices. The session was handled by Dr. B. Sujatha, who shared insights on modern pedagogical approaches and interactive strategies to engage students effectively. The program was conducted at the MBA Seminar Hall and saw active participation from faculty members across disciplines.
