Sengunthar Engineering College Signs MoU with Sri Suriya Agency to Boost Solar Energy and Research Initiatives

The Department of Electrical and Electronics Engineering (EEE) at Sengunthar Engineering College (Autonomous), Tiruchengode, has signed a Memorandum of Understanding (MoU) with Sri Suriya Agency, a leading solar power generation company based in Erode.

Sri Suriya Agency is renowned for its expertise in the wholesale and retail distribution of high-quality solar power systems, batteries, UPS units, water treatment solutions, and construction chemicals. The company is committed to delivering affordable and internationally compliant products, tailored to customer requirements.

This strategic partnership aims to enhance academic and industrial collaboration through a variety of initiatives, including the establishment of a Center of Excellence, industrial visits, guest lectures, seminars, project guidance, research and development, **and** training programmes. The MoU also covers consultancy services, internship opportunities, curriculum development, and the promotion of entrepreneurship **and innovation** among students.

The collaboration is expected to provide students and faculty members with practical exposure to emerging technologies in the renewable energy sector and foster innovation-driven learning experiences.

PLASTIC WASTE CLEAN UP DRIVE

We are happy to share with you that our National service scheme which is a part of our Senghundhar college of Pharmacy, successfully conducted a plastic waste cleanup drive.

The event was organized by the National service scheme of the senghundhar College of Pharmacy and the Red Rock Rotary Club, Thiruchengode to collect and properly dispose of plastic waste from the pond in Kumaramangalam and its surrounding areas. The event was inaugurated by our beloved correspondent and secretary, A. Baladandapani, M.A., M.Phil., senguthar group of institutions. Speaking on the event, he said that plastic pollution is a global issue affecting land, water and air and has wide-ranging negative impacts on ecosystems, wildlife and human health. It is non-biodegradable and takes up to 500 years to decompose.

Mr. AravindThirunavukkarasu M.E., Executive Director, Senghundhar College of Pharmacy principal Dr. M. Surendra Kumar, M.Pharm., Ph.D. MBA, and Thiruchengode Red Rock Rotary Association President Mr. Sasikumar and Secretary Mr. Kavinkumar were present in the occasion.

Sengunthar College of Nursing Observes World ORS Day at Namakkal GH

As part of World Oral Rehydration Solution (ORS) Day, the III-year B.Sc. Nursing students (2022–2026 batch) of Sengunthar College of Nursing organized an awareness programme at the pediatric medical ward of the Government Medical College and Hospital, Namakkal.

With the theme “*ORS: A Simple Solution for a Healthier Future*,” the students conducted poster presentations **to raise awareness among** parents, children, and the general public **about** the significance of ORS in preventing and treating dehydration, particularly in children. The programme aimed to educate the community on the importance of timely rehydration and the life-saving potential of ORS in managing diarrheal diseases.

The initiative was well-received and emphasized the vital role of nursing students in public health education and community outreach.

விளக்கம்

மற்றவர்கள் மறைவாகக் கூடிச்செய்யும் காரியங்களை, அவர்களுடன் இருப்பவர் வாயிலாகக் கேட்டறிந்து அவற்றின் உண்மையைத் தெளிவாகத் தெரிந்து கொள்வதே உளவறியும் திறனாகும்.

இலக்கணக் குறிப்பறிதல்

வினைத்தொகை:

வினைத்தொகை என்றால் என்ன?

மூன்று காலத்திற்கும் பொருந்தி பெயர்ச்சொல்லால் தழுவப்பெற்று வரும் தொடரே வினைத்தொகை ஆகும்.

(எ.கா.) ஊறுகாய்

ஊறிய காய்-இறந்த காலம்

ஊறுகின்ற காய்-நிகழ்காலம்

ஊறும் காய்-எதிர்காலம்

இப்பொழுது மூன்று காலங்களும் வெளிப்படுகிறது அல்லவா. இதைப்போல கொடுக்கப்பட்ட விடைகளில் எந்த சொல்லானது மூன்று காலங்களையும் உள்ளடக்கி வருகிறதோ அதுவே வினைத்தொகை என முடிவு கொள்ளுங்கள்.
